HOW I CAN HELP MY CHILD'S ATHLETIC EXPERIENCE

1. Allow your child to perform and progress at a level consistent with their ability. Athletes mature at different ages and some are more gifted than others.
2. Teach your child to enjoy the thrill of competition and that improving skills and attitude are important.
3. Don't relive your athletic life through your child! This creates added pressure that your child does not need. This is your child's experience, let them enjoy it.
4. Don't compete with the coach. Keep in mind that they are balancing the development of your child with the growth and progress of an entire athletic team. Often coaches have many considerations that are not obvious to parents.
5. Remember, young athletes tend to exaggerate when being praised and/or criticized. Temper your reaction until you investigate.
6. An athlete's self-confidence and self-image will be improved by support at home. Comparison to others is discouraged. Encourage the athlete to do their best regardless of family or friends who may have been outstanding players.
7. Insist on positive behavior in school and a high level of performance in the classroom. Numerous studies indicate extracurricular involvement helps enhance academic performance.

EXPECTATIONS DURING GAMES

1. Cheer for our team and players. Opponents and referees deserve respect.
2. Realize that players and officials will make mistakes.
3. Your support is needed when things aren't going well.
4. Concentrate on what is best for the team. Preoccupation with statistics can be very distracting.
5. Attempting to communicate with coaches, players, or officials during a game only creates tension and is completely unacceptable. Be a respectful spectator.
6. Conduct that draws unwanted attention to oneself usually leads to embarrassment for your child. Please keep their well-being in mind at all times. Don't jeopardize losing the opportunity to watch your child participate.

GCSA is committed to creating a positive, respectful, and supportive environment for all players, coaches, and families. As a parent or caregiver, you play a crucial role in promoting these values through your actions and behavior.

- **Support the Mission:** I will support GCSA's mission to develop lifelong soccer players by encouraging my child's growth and enjoyment of the game. I will respect that soccer is for youth, not adults, and allow my child to participate for fun.
- **Attendance and Communication:** I will ensure my child attends practices and games regularly and will communicate with the coach if my child will be late or absent. I will inform the coach of any health concerns or conditions that may affect my child's safety.
- **Respect for Others:** I will encourage my child to treat all players, coaches, referees, and spectators with respect, regardless of differences such as race, gender, or background. I will be a positive role model by demonstrating good sportsmanship and respect for everyone involved.
- **Focus on Development:** I will prioritize skill development and the well-being of the players over winning, especially at younger age levels. I will encourage a positive attitude and support my child's physical and emotional growth.
- **Positive Sportsmanship:** I will promote positive sportsmanship by showing courtesy and respect for all players, coaches, referees, and spectators. I will not engage in unsportsmanlike conduct, including booing, taunting, or using inappropriate language or gestures.
- **Respect for Coaches and Officials:** I will respect the authority of coaches and referees. I will never confront or question the coach or officials during games and will address any concerns in a civil manner at an agreed-upon time and place.
- **Zero Tolerance Policy:** I will uphold the GCSA Zero Tolerance Policy by refraining from criticizing or questioning referees, coaches, or players during or after the game. Any concerns will be reported through the proper channels.
- **No Coaching from the Sidelines:** I will not coach my child or other players during games or practices unless I am an official coach for the team.
- **Support for Coaches:** I acknowledge that the coach is responsible for my behavior and that of my child during soccer activities. I will support the coach and help address any issues in a constructive manner.
- **Consequences for Misconduct:** I understand that failure to follow this Code of Conduct may result in being asked to leave soccer activities or being prohibited from attending future events.

By adhering to this Code, I contribute to creating a positive, safe, and enjoyable experience for all participants.

Thank you for your support and dedication to the GCSA community!

I agree to follow the expectations listed below so soccer will be a positive experience for all.

1. Play for Fun!
2. Give proper focus and effort during practices and games.
3. Be a team player – get along with your teammates.
4. Be on time for practices and games.

Greene County Soccer Association recognizes the importance of emphasizing good sportsmanship in all aspects of activities. With this in mind, the following are fundamentals of good sportsmanship that we urge fans, spectators, participants, staff members, and parents to follow:

1. Gain an understanding and appreciation for the rules of the game.
2. Exercise positive behavior at all times.
3. Recognize and appreciate skilled performances regardless of affiliation.
4. Exhibit respect for the opponents and officials at all times.
5. Openly display pride in your actions at every opportunity.

Unacceptable behavior shall include, but not be limited to, the following types of conduct. Such conduct will result in removal from the activity:

3. Throwing debris or littering the playing field or facility.
4. Verbal abuse or use of profane or obscene words or gestures during a game or activity.
5. Disruptive behavior or conduct.

Greene County Soccer Association will not tolerate any violations of the above. Good sportsmanship is expected from everyone before, during, or after any contest. Any concerns regarding any part of an athletic or activity program should be directed to the coach who will bring it to the board or to a board member directly. During or immediately after an event is NOT the proper time to raise questions or concerns about a program. If there is a problem during the duration of the game, coaches and officials can work together to find a solution or escalate to a board member on site. All other problems should be escalated to a board member as soon as possible after the event.

Violations of any of the above guidelines will result in the following consequences:

1. Immediate removal from the contest or activity.
2. Upon investigation by the Greene County Soccer Association involved violator(s) may be suspended from activities for a period up to one year depending upon the severity of the infraction.

- If a sent-off player seated on the bench causes a disturbance, the player may be ejected from the site.

Number of players on the field varies by age group.

- Games will NOT be rescheduled due to lack of players. It is the coaches responsibility to resolve issues with attendance or face a forfeit.

At-Home Soccer Skills: Help your child improve anywhere, anytime!

There are two essential skills that your young soccer player can practice anytime, anywhere to become a better player:

1. Ball Handling

It might sound like a cliché, but every single touch on the ball helps your child improve! The more they practice controlling, dribbling, and passing, the better they'll get. Encouraging your player to spend time with the ball at their feet is key to developing their soccer skills.

2. Conditioning

Staying active and building stamina is just as important as ball skills! Encourage your child to work on their fitness through simple exercises like running, jumping, and agility drills. This will help them build strength, speed, and endurance on the field.

As a parent, you have a huge impact on your child's growth as a player. Whenever possible, encourage them to practice one (or both!) of these essential skills. The best part? You don't need fancy equipment or a field! All it takes is a ball, some space, and a little creativity.

Here are a few ideas to get you started:

- **Ball Handling:** Practice dribbling in small spaces, juggling, or passing against a wall.
- **Conditioning:** Set up fun obstacle courses, go for runs, or do agility drills like ladder drills or cone weaves.

And remember, YouTube and Google are your best friends for finding fun and creative ways to practice soccer skills at home! There are tons of resources out there to help your child stay engaged and improve their game.

Happy practicing! Let's keep our players growing, learning, and having fun with soccer.

Thank You!

Thank you for supporting the Greene County Soccer Association!

Great things happen when kids get together to play. They make friends, have fun, work on sportsmanship, get exercise, practice teamwork, learn leadership and compete. Your support makes it all possible. Thanks!
