Sponsorship Request for the Fall 2025 / Spring 2026 GCSA Soccer Season

Dear Future GCSA Sponsor,

It is with great pleasure that I'm writing to introduce you to an exciting opportunity to make a positive impact in our community, while gaining valuable exposure for your esteemed company.

I would like to introduce you to the Greene County Soccer Association (GCSA) youth soccer program. We are a non-profit organization based in Linton, Indiana, dedicated to promoting youth soccer in our communities, including Greene County and surrounding areas. Youth soccer fosters teamwork, self-confidence, and respect for others and rules. GCSA serves approximately 300 children annually, striving to keep costs low and even offering free participation for those in need.

We are reaching out to request your support in sustaining and expanding our soccer program. The cost per player barely covers essentials like jerseys and insurance. This year, our goals include field maintenance such as leveling and reseeding to ensure the safety of our athletes, concrete work around our concessions stand, installing a ceiling in the stand to minimize pests and utility bills, updating the facility entrance, and setting up a flagpole near the concessions stand.

We recognize your impact on the community and believe that our shared values and dedication to making a difference align perfectly, and your support as a sponsor would greatly enhance the success of our program. Would you consider donating to help us achieve our goals and maintain an organization that contributes significantly to its members and local communities? Please see the following page for a full list of our unique sponsorship opportunities and the varying levels of brand exposure and benefits that are included.

On behalf of the 2025 GCSA Board and all the amazing families who participate in our program, I would like to express our sincere gratitude for considering our sponsorship request. Your support will make a significant difference in the lives of young soccer players.
