

Our refund policy is designed to be fair and transparent, while also taking into account the costs we incur once registration closes. **Please note that once the registration period has ended, we generally do not offer refunds.** This is because we immediately begin purchasing uniforms and insurance, both of which are non-refundable once ordered or paid for.

However, we understand that unexpected situations can arise, and we will do our best to work with you on a case-by-case basis. If a refund is considered, **it will typically be the amount you paid minus the cost of the uniform and insurance**, but please be aware that this is not guaranteed.

We encourage you to carefully review all details before completing registration to ensure a smooth process. We appreciate your understanding and cooperation!
